

Community Workshop #1

September 21, 2021

MEETING OVERVIEW

The public meeting was held at the Eagan Community Center from 6:00 pm to 8:00 pm on Tuesday September 21, 2021. When meeting attendees arrived, they were asked to sign in to collect contact information for future project communications, given an information postcard indicating the next public meeting date and the project website (flocompplan.com). There were 46 individuals that signed into the meeting.

At the start of the meeting as individuals arrived, they were asked to complete a written exercise referred to as a “One Word Card.” This brief exercise included three prompts: 1) Write one word to describe Florissant Today?; 2) Write one word to describe Florissant in 2035?; and 3) List your top 3 ideas for Florissant’s Future. The results of this exercise are transcribed below, **See Exhibit A – One Word Card Exercise.**

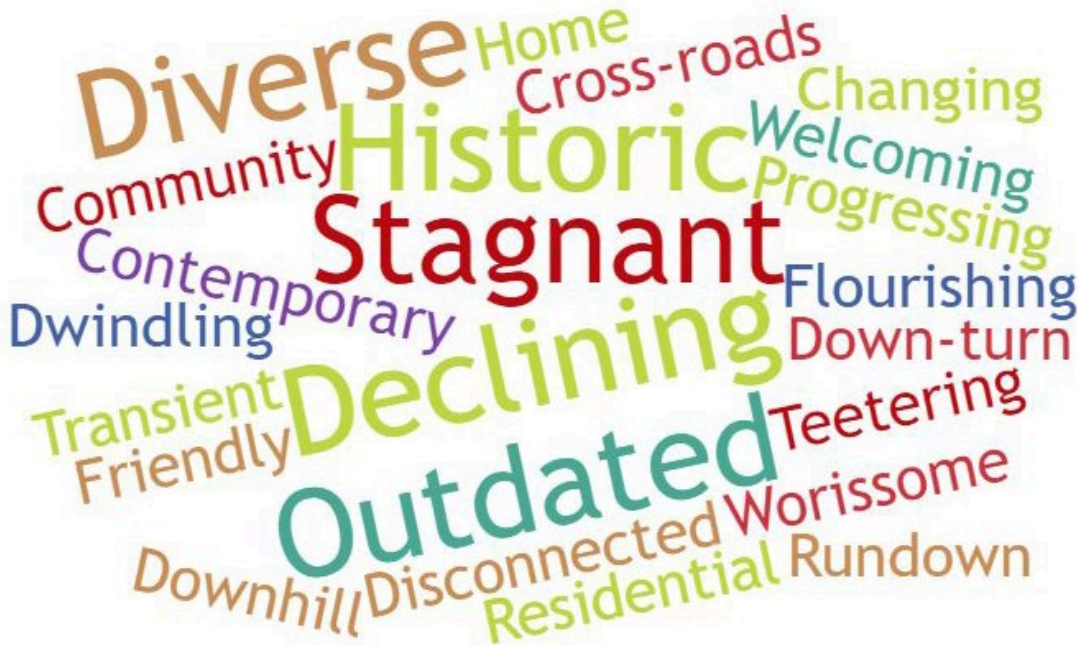

The meeting agenda included an introduction of the planning team, an overview of the planning process and products that will be developed, an explanation of what a comprehensive plan is, a “getting to know each other” key pad polling exercise, an “emerging opportunities” key pad polling exercise, an examination of future trends to be considered, followed by small group work sessions and a report out from the group on the top opportunities and ideas discussed by each table group. The feedback collected from the Work Session is transcribed below, **See Exhibit B – Work Board Exercise.**
